We will again be giving away more **NATIVE TREES FOR PLANTING IN YOUR GARDENS**. These will be 60cm "whips" all sourced from the **Woodland Trust**.

CPRE - The countryside charity says "Our countryside is struggling to cope with **CLIMATE BREAKDOWN**. Frequent and **FIERCE FLOODS** threaten people's **HOMES**. Cherished **WILDLIFE** have plummeted in vast numbers over the past half century. The countryside has a **UNIQUE SOLUTION** – **THE HUMBLE HEDGEROW.**" **Join them** to demand more hedge planting. **SFT** and **SteYning** are doing our bit.

STEYNING COMMUNITY FOOTBALL CLUB has been awarded free trees after SFT applied to the **Queen's Green Canopy** Platinum Jubilee Fund. These will be arriving sometime in November – is anybody happy to come and help with planting these hedges using our easy T-cut method? Please let us know.

Mary McFarlane, SFT committee member, has once again managed to get us funding but this time from **SUSSEX POLICE**. This will be very welcome and help us to plant even more trees. **Many thanks Mary!**
