

The Steyning Society

60th Anniversary

**Founded on St. George's Day
23rd April 1963 by a group of local residents
to safeguard and improve the high standards
of the buildings and amenities in Steyning
and its surroundings.**

For the last 60 years, the Society has supported the community through events, grants, guides and acting as the ‘Steypning Watchdog’.

This presentation illustrates some of our work.
