

THE STEYNING SOCIETY
Photographic Competition and Calendar for 2026

****Submission Guidelines:****

1. **Theme:**

Photos should capture the essence of spring, summer, autumn, or winter in our town and the surrounding area.

2. **File Format:**

Submit your photos in JPEG (JPG) format.

3. **Image Quality:**

Aim for high resolution—300dpi or above. Use your device's highest quality setting.

4. **Photo Size:**

Minimum resolution: 3000 x 2000 pixels (around 6 megapixels).

5. **Colour Mode:**

Submit photos as usual; we'll handle conversion to CMYK for printing.

6. **Editing:**

Basic edits (cropping, brightness) are fine, but avoid heavy filters.

7. **Submission Period:**

Send your photos between November 2024 and August 31st 2025 to adriangobat@hotmail.co.uk with "Calendar Photo Submission" as the subject. Don't forget to include your name, the dates when your photos were taken and your photo titles.

8. **Selection:**

A committee will select 12 winning photos in September 2025. The Society's decision will be final.

9. ** Copyright etc.**

Copyright and all other intellectual property rights in photos published in the calendar will become the exclusive property of The Steyning Society.

****Top Tips:****

- Use natural light and keep your subject in focus.
- Clean your lens for clear shots.
- Horizontal photos work best for the calendar layout.

We can't wait to see your seasonal snaps! 🌸 🌻 🍂 ❄️
