

Proposals at the former Steypning Grammar School, Church Street

Church Barn Steypning Ltd, working with ECE Planning and Morgan Carn Architects, are bringing forward proposals for a residential redevelopment of the Former Steypning Grammar School Site on Church Street, Steypning.

Our aim is to deliver a heritage-led scheme that sensitively brings these vacant historic buildings back into active use, in a way that respects and complements Steypning's historic townscape and character.

We want local insight to genuinely inform these proposals, and are hosting a Public Presentation to share our thinking and gain your views as we shape what comes next.

Event Details

Date: Wednesday 9th September 2026

Time: 2:00 pm – 2:30 pm

Location: The Steypning Centre, Fletchers Croft, Steypning, BN44 3XZ

For more details, scan the QR code or visit our consultation webpage at:
<https://ece.group/ece-planning/public-consultations/steypning-grammar/>

If you are unable to join us, information and feedback forms will be available online and at The Steypning Centre for one week following the event. The presentation will also be recorded and streamed over Microsoft Teams. For more info, please email us at:
info@eceplanning.com

We look forward to hearing your views!
